Subject: RE: Task Order Evaluations for Guardian

All,

Sorry if you are receiving this email again, the previous version was missing Task Orders funded with oil, remedial or special account funding.

You are receiving this email because you are the OSC of record for a Task Order(s) with Guardian issued prior to September 29, 2016. In order for Guardian to continue beyond the contract's base period (which ends April 28, 2017) they must satisfy the performance ratings in the Quality Assurance Surveillance Plan of the contract.

Please complete the attached Task Order Evaluation Form for each of your Task Order(s). Please submit the completed evaluations forms to me as soon as you can, but no later than December 7, 2016. They are relatively easy to complete. For those not familiar with adobe, click on the "fill and sign" tab, then the "add text" line. You can then move the cursor within the form to add your evaluation comments.

Thanks,

Mark
